Lago Vista Neighbor

“My God will supply all your needs.” Phil 4:19

Summer Programs

We're off to a great start in our summer activities with 50-60 kids attending each day. We are blessed with excellent staff, wonderful volunteers, and 22 enthusiastic middle and high schoolers on the Youth Leadership Team. Each week, the youth meet for training, serving, and team builders like the one below. Our prayer is that these youth will become the leaders of the future in Lago Vista and the community.

Thank You for Helping with our First Benefit Dinner

Many of you were a part of our first dinner and auction by attending and/or contributing. More than 160 came to learn more about Lago Vista Neighbor and how to help it become sustainable for the future. We were able to raise enough, along with a large grant from the Loveland Human Services to post the job opening for a full time program director.
