### Changed Lives in LV

One sixth grade boy is really growing and maturing. He has participated in our programs for several years and is now a part of our leadership team. He is excited about his new faith and loved helping in the Bible lesson all summer. He also attended a Christian summer camp with us.

A high school girl is on our leadership team for the third year and is now taking on the responsibility of leading a small group of middle schoolers. Her involvement has also helped her to grow in her self-confidence and become a dedicated student.

If you would like to financially support this work, there are different options on our website: [lagovistaneighbor.org](http://lagovistaneighbor.org)
