Training Youth Leaders

As we approach Easter in the midst of the current pandemic, we are all looking forward to the new beginnings that God is able to bring to our lives and to Lago Vista residents. Until the shutdown, the Youth Leadership Team, led by our Program Director, Jonah Kunisch had been focusing on how to make wise choices in relationships and lifestyle.

Elementary Programs

Before Spring Break, we were helping K-5 students in:

- *Academic work
- *Understanding and applying the 10 Commandments
- *Being creative in cooking, play, music, and art
- *Teaching chess skills that ended in a tournament - Thanks to Mr. Shores!

We all need a laugh!

We have a great time with the children in Lago Vista and here’s Duncan tied in knots playing Twister with the kids! Our after school programs allow us the opportunity to use hands-on learning for academics, critical thinking skills, and world awareness. In partnership with the schools, we try to enrich their lives.

Helping during current health crisis:

Staff members, Isaac (in picture to left) and Rebecca, and a resident have been passing out Food Bank sack lunches twice a week. We are also partnering with the school district to help the LV families as they do school at home during this shutdown. Please pray for our Board, staff, LV residents, and us as we navigate through this storm.
