OUR MISSION

With Jesus' help and for His glory,
Develop Youth
Strengthen Families
Support Community

OUR OBJECTIVE

To provide a supportive environment where the children and youth of Lago Vista have the opportunity to grow academically, socially, emotionally, and spiritually.

OUR HISTORY

Lago Vista Neighbor was founded by retired Loveland teachers Laney and Duncan Howard in the spring of 2010. It has grown from a weekly after school homework help to a developing program that supports over 150 children and youth each year.

OUR PARTNERS

The generosity and commitment of Thompson School District, local churches, government agencies, businesses, and community services have resulted in significant achievements for the Lago Vista children and youth.
