Leaders in the Making!

***This summer, four high school students trained in our leadership program will be “Student Staff.”**

***They will leading many of our summer elementary programs and training middle school students to help them learn how to be positive leaders.**

***It is exciting to begin to see the results of many years invested in the lives of the Lago Vista children and youth.**

***The repairs on the residence trailer for our Program Director are coming along well. The damaged walls have been replaced and now the painting of the drywall and the walls in the rest of the trailer is underway.**

***What remains is to install the donated cabinets, appliances, and flooring, and renovate the two bathrooms before mid-May for our Program Director.**

***Thanks so much to all of you who have generously given to the housing purchase and renovation. We have already received over \$7,000 toward the \$30,000 goal and \$3500 toward staffing and scholarships.**

***If you would like to help us complete the housing project and/or the ongoing training of young leaders, you can do so on our website at lagovistaneighbor.org or sending a check to Lago Vista Neighbor, c/o Faith Church, 2707 N. Wilson, Loveland, CO 80538.**

Thanks so much for partnering with us,

Duncan and Laney
